

Dear Member of la Chaîne

As many of you know, each year our International Organization promotes the taking of photos during World Chaîne Day events. Members are then asked to post their pics on the WCD online page. From the many many pictures posted (hundreds!) a photo contest is held and prizes awarded for the top three pics. I am super happy to announce that this year not only was a Canadian picture selected for the best overall photo, we also took the second runner up! Both pictures were taken at the Victoria Bailliage WCD event.

Congratulations go out to:

- Bailli Gail Gabel and her Committee for organizing such a wonderful and unique event.
- Photographer Kevin Light for capturing the perfect moments and allowed us to all participate in the moment
- Castro Boateng (Maître Rôtisseur, Owner and Executive Chef, House of Boateng) and Barry Andruschak (Chevalier) for looking so great!!

Winner – Best Photo – World Chaîne Day 2022 – Victoria BC Canada

This is a brilliant shot, a masterpiece of the moment. A Professional member and a Non-professional - hand on the shoulder - is there a better symbol of what the Chaîne is all about. And again the feeling: the roaring laugh of the Professional clearly happy and with the approving expression of the amateur. You can feel the connection between these two. The photographer had an excellent eye to capture the moment.

Second runner up – Best Photo– World Chaîne Day 2022 – Victoria BC Canada

Very professionally taken photo. Excellent lighting ensures the essential elements are highlighted. Also a small mystery: what are the droplets, where are they coming from? Perfectly-cooked meat cannot look more delicious. [Note from Gail - *What appeared to be a slight effervescence in the air above the steak were actually micro droplets of fat as they hit, and bounced off the heated stone under the beef. Looked really neat and Kevin thought it was his best photo.*]
